Prizes awarded to 1st & 2nd place teams in each flight

The number of flights will be determined by the number of team entries. For example if we have 18 teams. All teams play 18 holes and bring their scorecards to the clubhouse to be "flighted". The very best score of the day (lowest score) will be the #1 team. The second best score will be the #2 team and so forth, until we have teams from #1 through #18.

There will be three flights with six teams in each flight. The #1 team will win the 1st Flight and the #2 team will be 2nd in that flight. The #7 team will win the 2nd Flight with the #8 team placing 2nd. Then the #13 team will win the 3rd Flight and the #14 team will take 2nd in the last flight. Any ties will be broken by a scorecard playoff from hole #18 back.
